

## FAQ's

### **Can I get something signed/donated for an auction/raffle/school etc.?**

As you will appreciate we receive a large number of requests for items to be donated for various causes all of a very worthy nature.

We are passionate about our fans and supporters and while we would love to meet the needs of every request, unfortunately this is not always possible.

Our policy is to have a monthly signing draw for three groups - schools, amateur clubs and non-profit organisations.

To be eligible for the monthly signing draw please email us at [office@netballmainland.co.nz](mailto:office@netballmainland.co.nz). Include all information about what you would like signed, for which school, amateur club or non-profit organisations and the date of the event if applicable. Due to the large numbers of requests you will be notified ONLY if your request is successfully drawn. Please note that if you are successfully drawn you are to provide your own item to be signed by the team.

### **School/Club/Training Visit**

We receive many requests for players to donate their time, all for very worthy causes. We would love to support them all, however the nature of our business does not allow us to do so.

Although requests can be considered we have to carefully manage player time to ensure it stays within the limits set by the NZNPA Players Collective and within their training schedules as well as allowing for time to prepare adequately for game day. Please submit your request via email at [office@netballmainland.co.nz](mailto:office@netballmainland.co.nz) - for consideration you must include all details of the event including where, when and why.

### **Do the venues have wheelchair access?**

Please refer to [www.ticketek.co.nz](http://www.ticketek.co.nz) for details on services available at all venues.
